

# ALCHEMIST 215 TRICHOME EXTRACTOR

Turn Your Trim Into Gold.

## MACHINE SPECS

Turn your perfectly preserved trim from our GreenBroz Trimmers into further profit in an instant with the Alchemist 215 Extractor.

The GreenBroz Alchemist 215 is our dry-sift, solvent-free trichome extractors, designed to ensure you are getting the absolute most out of your harvest.

The 215 can be operated as a stand-alone unit or with the addition of pulverized dry ice.

High-quality 180 micron screens come standard with your Alchemist. You may also purchase 80 or 130-micron options. The 215 has a capacity of 1.5 cubic feet and can fit as much as 1-1.5 lbs. of trim at a time.
